Match Reports

1st XI v Broomfield; Won 2-1; Scorers; R Pidgeon (2)

(REPORT FROM INA..OR HARRY!?!)

A tough friendly against first division opposition. Vamps started slow against Broomfield we seemed to be slow and sluggish, which could have a lot to do with players not involved in the warm up. Broomfield looked dangerous and took the lead after 25 minutes. Then we woke up and started playing and had some good chances. Second half was sharp, quick and positive. What a change winning the ball, one twos and pace great to watch. The boys played for each other and most important the hunger was there the boys showed that they wanted it. Then an instinct by R.Pidgeon made it 1-1. Then we created chances and played well, then our new match winner R.Pidgeon scored a wonder goal beating three players and slotting the ball home brilliantly 2-1. Then we done well to hold on to the lead still playing tidy football and looked a good side. Thank you boys it was a pleasure I thought u were all brilliant. Two special mentions Dean O'Neill who had a bad injury but has come back so strong and has got his hunger back well done Skip, and Russell Pidgeon who has adapted brilliantly and looks dangerous every time he gets the ball what will and strong mind. Everyone said he would not make it as a striker, he kept at it well done son for having belief in yourself.

Vets v Tansley; ---Lost 1-3; Scorer; Huckle (Pen)

Any of you young 'uns who think Vets footy is just a stroll in the park should have a word with Dean Moriarty, Martin B and Churchy, all making their "senior" debuts in a passionate and occasionally feisty encounter with our old rivals on their beautiful pitch! All three came off shattered and surprised about the quality of play. Despite The Kaiser laying down our game plan, we made crucial and costly errors and our strike force of Huckle and Ephrave Very Senior (whither Whelan, you ask!?) failed to capitalize on chances made, though both players worked tirelessly for the full 90! Indeed it was Huckle who converted our penalty with a net-buster to bring it back to 2-1 at half-time, the defence/midfield having backed-off, allowing too much space for Tansley's experienced players to convert their opportunities with aplomb. Same team-talk at the break, but same outcomes and they scored from an acute angle past the surprised Thorburn (in his 49th consecutive season at the Vamps!!) Yours truly (25 seasons having started as a Vet) gave way to Greg (23 seasons?) for a cameo before his knees went pop, to be replaced by the evergreen Hitch (in his 30th season??), but no further goals. An enjoyable run-out for all concerned==did I mention Ginaldo replaced Doug on the hour and kept a clean sheet? Thanks to all, not least the new boys, and Ben and Ciaran for their contributions. MOM; Winchester, kept it simple and unflustered and was always available! Sorry Churchy!!

PS..one for the record book and anoraks!--- bizarrely, our squad included 3 Life Vice-Presidents and 9 Full-Committee members!!
