More Misery at The Nou Camp!

No home or Cup matches again this week due to the adverse weather, but at least the 1's were able to register a well-earned win away at BB Eagles, first 3 points of the decade!! To relieve the boredom, have a look at this FA survey if you've got Internet access!

The FA/CFA Annual stakeholder survey will go live from January 18th 2010!

The FA and County FAs continually work together to promote grassroots football but sometimes we need a little help from our members to tell us how they think we can improve. This is where you come in!

We would like as many Players, coaches, volunteers, Referee's and supporters within the AFA to fill out the CFA Annual Stakeholders Survey. Why not take five minutes of your time to tell us what you think?

Results & Match Reports;

1's v BB Eagles; Won 1-0; Scorer; R.Pidgeon

Was it on, was it? We as a squad have to phone the manager to check if the game is on and not presume the game is off. I have spoken to players and we don't need in-house squabble in the squad, it happened last year and it did not help us. If players are not happy you have to talk to the Gaffer.

Right that's enough of me trying to put the house in order. We played our first game in a month against a very good BB Eagles side. We played some terrific football and went close with O'Neill, Dawson and R.Pidegon. But it was not one-way traffic, we had Vaz to thank with some great saves. Second half was even again with both sides going close. Then yes you guessed it!! R.Pidegon scored again with a well taken goal. Then we had to thank Vaz again making a brave save and getting injured. We done well to hang on and get the three points. P.S. togetherness and loyalty makes a good team!!

Players should be aware that Home cancellations are the decisions of Haringey Council, not CEVFC, and these are now made on Wednesdays, which many of us consider to be ridiculously early, but there it is! Johnny Winchester, your Fixture Secretary, Alan Smith and Dean O'Neill work tirelessly during the week trying to re-organise fixtures/communicate with other Club Secs, Refs and SAL/AFA and my personal special thanks to them for their commitment during this period of uncertainty.

My personal apologies as well to Pete for a lack of communication over the postponed Committee Meeting, whoops!! Rule no.1 of "Good Communication" = "never assume!!....sorry mate!
